

**Seeking a unique personalised corporate gift for a client, colleague or employee?**

Whatever the gift occasion, **everyone enjoys receiving a personalised gift.**

Personalised gifts show that you've made the effort to select something which has real meaning and relevance to them. People are so delighted with their keepsake, they tell their friends, family and colleagues about it!

Personalised gifts make even more impact as corporate gifts! Is one of your clients having their **first baby?**

Perhaps a long-time employee is **getting married**, you'd like to **reward and**

**surprise an employee** or you want **unique prizes** for a competition, conference or corporate event?

Why not delight them with boxed gift certificates for a hardcover **LoveStars** report or a **BabyStars** report from the leading astrology gift report company It's In The Stars at <http://www.itsinthestaronline.com>?

Our reports, printed on luxuriously thick 100gsm premium paper, have delighted hundreds of parents and couples since 2005. You can see what they say at <http://www.itsinthestaronline.com/testimonials.html>.

Presented in beautiful glossy white DL boxes, each gift certificate has at least six months validity. You can also have them **co-branded with your company logo**, and include corporate material with them if you wish.

Your recipient simply visits <http://www.itsinthestaronline.com> to redeem their gift certificate, following the simple instructions on the back of the gift certificate. Within a couple of days, they will receive a beautiful **BabyStars** or **LoveStars** report.

Consider It's In The Stars' beautiful hardcover reports and gift certificates for:

- Corporate events
- Gifts for speakers
- Maternity leave gifts
- Unique engagement or wedding presents
- Employee gifts to say thank you
- Congratulations gifts for your favourite clients
- Competition prizes for customers
